The Committee on Streets and Alleys make a report and resolution as follows:- January 6. 1892.
To the Mayor and Council of the City of Ottawa.
Gentlemen:-
Your Committee on Streets + Alleys have, for some time, been considering the best and cheapest way to repair Bruin St. which has in some spots holes in many places, so that the street is in a very bad condition. The filling of the holes there and there while others are

grade is an endless task and leave the street very rough. Your Committee have caused a layer of large macadam to be placed on the west 1/2 of the street from 1st to 3rd as an experiment & we have the honor to report, that in our judgment it is a success. the stone being well rolled and pressed to place, will make a good roadway in a short time. Therefore the following:

Resolved: That the action of the Committee on Streets and Alleys in the matter of repairing Main Street with macadam be approved. And further: That the Committee on Streets and Alleys be authorized to repair Main St. from the bridge to 5th Street, or so much, as in their opinion, may be necessary, in the same manner as that here described "On the west 1/2 of main from 1st to 3rd Street.

On motion this Report and Resolution was adopted.

The Committee on License to whom was referred the Bond and Application of H. C. Dennis, A. B. Lapher and J. B. Lewis submitted the following report:

Recommend that Bond be approved and license granted.

The Committee on Fire and Water to whom was referred a communication from Mr Ewing in regard to a water main being laid from Main street to Massasoit, Report. That the work has been done. Mains put in, hydrants located as stated, the mains are in operation and giving satisfaction,

Report adopted.

Council Pickerell offered the following ordinance.

An ordinance entitled "An ordinance for the protection of the Ottawa Gas. Company". Read the first time.

Councilman Semple moved the ordinance be referred Committee on Ordinances.

motion prevailed. So referred.

The Mayor called the attention of the council to a request made to him by a number of the Lyceum League of Ottawa asking the use of the council Room to hold their meetings in.

Councilman Pickerell moved that the request be granted, provided they pay for the lights and keep the room in good order, so long as it suits the council to grant it.

Motion prevailed.

The Committee on Cemetery offered the following report and resolution as a substitute for the report formerly offered.

Ottawa Jany 6. 1892.

To the Mayor and Members of the City Council of Ottawa City

Gentlemen:-

Your Cemetery committee would offer the following Resolution as a substitute for the report of the committee made to the council at the meeting held on Dec 2, 1891.

Resolved: That the mayor be instructed to propose to purchase of Wm J. L. Keith a piece of land lying west of Hope cemetery 180 feet front extending north to the half line of the R.R. containing 7 acres more or less, at $ Dollars per acre.

R. H. Semple
Chairman Com.

This substitute Councilman Defford offered to amend by filling the Space

Blanck Dollars with $75 00. The question
then being upon the amendment, a vot
was had and the motion lost.

The question was then upon the origin
resolution offered by Councilman Kemple
upon which a vote was had and the
motion prevailed. Resolution adopted.

There was some discussion as to what
disposition the city would make of the
stone left in the alley of Block 71
and upon motion of Councilman
Semple it was referred to the Committee
on Streets and Alleys with power to act.

The subject of other pavements was brought up by the Mayor asking
if the order passed some months ago
had been complied with. It was as-
certained there was nothing done as
yet and Councilman Ward moved that
the Committee be authorised to put in
three more gas lamps. Motion prevailed.

Transfer $704 00 from Genl Fund to S. & A. a.

Councilman Semple moved that
the sum of $704 00, money expended on
the dam and paid out of the Street and
Alley Fund, be transferred from the
General Fund to the Street and Alley fund.
Motion prevailed.

Market place

Councilman Pickerell called the
attention of the council to the fact that
the city will soon be without a place to
sell hay south of the river. and in pur-
suance thereof offered the following reso-
lution: Resolved that the Mayor appoint
a committee of two to act with himself as
chairman for the purpose of selecting a
plat of ground as a market place for wood
coal hay &c. To report at a subsequent
meeting (not later than the next regular)
the results of their deliberations with such
recommendation as they deem necessary.
Resolution adopted.

And in pursuance of the resolution the Mayor

appointed Councilmen Pickerell and Semple as such committee.

Sidewalk not granted

The Committee on Sidewalks to whom was referred the petition of Jn. T. Peavey et al. for a walk N. side Logan bet. Hickory and Mulberry. Bolles Sheldon's and Lofping's Addition to Ottawa report as follows:-

"The ground having been carefully examined the prayer of the within petition is hereby recommended.

call — Council met pursuant to a call of the Mayor upon the written request of three councillors to-wit: D. D. Young, J. H. Ransom and D Ryford.

The Mayor in the Chair. Roll called. The following gentlemen were present and answered to their names. Messrs Anthony, Blandchin, Pickerell, Ransom, Semple, Ryford and Young.

Quorum Present.

The call was read as follows:

To the Mayor of the City of Ottawa:

The undersigned Councillors of said City respectfully request you to call a special meeting of the Council at 7.30 P. M. of Feb. 16th 1892, for the purpose of considering, and if necessary, acting upon or after relating to the street railway of the city.

D. D. Young
J. H. Ransom
D. Ryford. Attest:

Extension of St. Ry. — Pursuance thereof Mr J. G. Harris addressed the council, proposing to extend the street railway in such a manner as to form a loop south of 7th St. if the City would macadam the track bet. the rails and one foot on the out side of each rail, and that the present railway Ord. be repealed.

After considerable discussion on this subject Councillman Pickerell offered the following Resolution: Feb 16. '92

Resolution — Resolved: That in consideration of the Ottawa St R.R. Co. extending its line and forming a loop south of 7th St. That the Com. on St. & B. be and they are hereby directed to macadam the street R. R. tracks between rails and one foot on the outside of each rail.

Upon this Resolution there was a re-

action taken.
Councilman Semple then moved that the consideration of this matter be postponed until the next regular meeting and that the committee on Streets and Alleys be instructed to give an estimate as to the probable cost of this proposed route, and report. Upon this motion a vote was had and the motion prevailed.
Councilman Young suggested also, that the street car railway Company present to the council such an ordinance as they would like to have passed.
The Mayor suggested that the City agree to furnish 20 ordinary yards of macadam instead of agreeing to macadam the track.

On motion of Councilman Semple, council adjourned.

Rules and Regulations provided for the enactment of the following Revised Ordinances of the City of Ottawa:

Whereas, By resolution duly passed in regular session, the Council of the City of Ottawa Kansas, authorized and employed W. A. Richards, City Attorney, to revise and compile the ordinances of said City, and

Whereas, The said W. A. Richards, in pursuance of his said employment, has revised and compiled the ordinances of said City, together with the Rules for the government of the Council, and has submitted the same for the consideration of the mayor and council, now therefore: to facilitate such consideration

Ord. siden

Resolved, That all rules and order of business now in force be suspended while the revised rules and ordinances are before the council, and each rule and ordinance which has been changed from the original shall be read once; and thereupon the question shall be: "Shall the rule be adopted?" Or, "Shall this ordinance pass?"

Resolved, That the rules and ordinances thus adopted and passed, together with all other general ordinances of the City, as compiled, be published in pamphlet form, and at least fifty copies be published and delivered to the City Clerk, who shall deliver one copy to each city officer, and the balance shall be kept by the Clerk for sale at the cost price to the City; and the Clerk shall keep a record of all copies disposed of, and, at the end of each month, turn over to the city treasurer, the proceeds of all copies sold.

Resolved, That to preserve the revised ordinances passed as a matter of record in the office of the City Clerk, such clerk shall paste into the book of ordinances of the City a printed copy of each revised ordinance as passed, and shall make an entry in the ordinance book showing the date of the passage of the ordinance and the Page of the journal containing the record of its passage and the fact of its being published in the Book of Revised Ordinances.

Ottawa Kan. 6/1/'92

To the Honorable Mayor and Council of Ottawa.

Gentlemen:-

I am informed that through your committee you have given a trial order to the Western Wheel Scraper Co. for a road grader. I have had some talk with some of your honorable body regarding the merits of your grader, as far back as early in Feby. this year, and was ready to put one of our graders at work here at any time during your to be judges of its merits. And I now take this opportunity of saying that we would like to show you our grader at work before you make any purchase.

We will meet all expenses, except the city to furnish teams to operate it. Hoping for this opportunity I am sir,

Respt. Yours,

C. J. Coulton Agt.

On motion prevailed.

Report Special Com. o Condition of Fire Al at Wall

Report of Special Com. on condition of Fire Alarm at Water Wks.

The Special Committee appointed at previous meeting for the purpose of examining the Fire Alarm at the Water Works presented the following report:

Ottawa 6/1. 1892.

To the Mayor and members of the City Council of Ottawa. Kas.

Gentlemen.

Your Special Committee to whom was referred the report of the Chief of the Fire Department, would submit the following statement.

In reference to the failure of the Water Company to furnish the required fire pressure, we find that the Company have failed to exercise ordinary diligence in furnishing pressure, since the acceptance of the works, as cited in the following instances:

May 2 / 1887. Tilers Fire.
Pressure: 1.50 p.m. 60# 1.57 40# 2.10 45# 7. 70#.

July 2. 1887 Car Barn Fire.
No record kept but pressure deficient.

Feby. 22. 1889. 7.30 p.m. 40# Mrs Jamieson's 8.20 40# 8.23 no pressure.

Jany. 1. 1890 8.15 p.m. 40# J. C. Burk's. 8.20 40# 8.23 no pressure.

Feby. 21. 1891 7.55 p.m. 40# Dr. Lowe. 8.10 8.06 no pressure.

Mch. 13 1892. 10. a.m. 40# Scott properly. 7" + Elm 10.10 60#

Apr. 27 1892 12.25 a.m. 60# May 25. 12.30 60# 12.37 40#

May 1. 1892. 2.20 p.m. 50# 2.30 80# Western Security Co. 2.30 100# 3. 40# 3.20 to 5. P.m. 20#

We find that on two occasions they furnished no pressure. This was undoubtedly caused by their man whose duty it is to close the valve at the Stand Pipe; doing so before the pumps were started at the pumping station

We find that the Water Company

have failed to erect and maintain a gauge at the Stand-pipe as required by the provisions of their franchise. Had they complied with such requirements, the occurrences, as noted, should have been guarded against.

The cause of the opinion that the failure to provide proper pressure at the Kalen fire was the result of having but one boiler fired at that time.

The cause of the failure to maintain pressure on May 12th 1892, was the bursting of a certain pipe. We have examined pieces of the broken pipe and find it full of blow-holes, and it is surprising to us that it ever stood the test of fired pressure.

We believe that in other cases where sufficient pressure was not given, the trouble was mainly due to defective alarms, and possibly the incompetency of employes.

The Water Company have only six inch tappers attached to the fire alarm at the pumping station and Stand-pipe where they should use reliable 10 or 12 inch mechanical gongs; as the small tappers are only designed to be used in sleeping apartments.

We also find that the whole north wall of the Hose & pumping station has caved in, disabling one pump and also that the quality of the water furnished has only at rare intervals, complied with their contract and for months past has been totally unfit for domestic purposes.

In reference to the differences existing between the Chief of the Fire Department and the Water Company as to the care and control of the Fire Alarm system. Your committee cannot too strongly urg

the necessity of the City assuming control of the Sewerage system, and through its proper representatives, have free access to any portion of the line at all times.

The Company should also be required to use the best appliances obtainable in order to keep the system as perfect as possible.

We would therefore offer the following resolution for your consideration:-

Resolution Water Works

Resolved: That H. Mitchell Supt. of the Water Company, and the Jarvis, Conklin Mortgage Company be at once notified as to the actual facts and condition of the company's works, and of the determination of the City to pay no more water rental until the plant is placed in proper shape to furnish water in strict compliance with the provisions of their franchise and in case they fail to comply with said notice within a reasonable time, the City then, to repeal their franchise and proceed to take the necessary steps to construct and operate a system of water works for the use of the City.

Council Rooms
July 6. 1892

To the Mayor & Council of the City of Ottawa:-

Gentlemen:-

The Street and Alley Committee to whom was referred the petition of J. T. Harrison and others asking for the cutting down of the alley in Block 84. would respectfully report that in their judgment it would not be advisable to grant the petition without, at the same time proceeding to provide

Report of 8th a... on cutting ...own alley in ... Block 84.

for the paving of said alley. In our judgment, the alley would come become dangerable, if covered without being paved.

J. H. Rayson.
