Roll Call

Council met according to adjournment, Mayor Hetrick in the chair. The Roll was called the following gentlemen answering to their names, Churchd Houghton, Muessel. McCarthy & Smart. Quorum Present.

Right to construct Sewer Lateral in Block South of 7th St. Known as Brown Sewer.

The Council find it necessary to make some arrangement with the property owners in the Block South of 7th St. through which Sewer Lateral No. 21. is to be constructed, known as the Brown Sewer; So the City of Ottawa will have the right to construct & maintain a Sewer Lateral therein, Professor Ward being present the Mayor asks him to tell the Council what the property owners in this section are willing to do. Professor Ward says he and the other property owners in that block are willing to sign an agreement with the City of Ottawa and have same placed on record, whereby the City will be permitted to Construct & Maintain sewer Lateral therein.

Mr. Pierson explains that their Bid was wrong. Figures transposed.

Mr. Pierson of the firm of Pierson and Johnson, was present, and the Mayor gave him permission to speak to the Council. Mr. Pierson explains to the Council that there was a mistake in their bid on the Main, The figures being transposed. He says their bid should have been $4820.00 instead of $2840.00 as it was written in the Contract. And he offered to forfeit his check of $50.00. Councilman Smart said that he did not believe the Council wished to take advantage of a clerical error, and he thought Mr. Pierson had proven to the Council that it was a clerical error. So he moved that Pierson & Johnson be awarded the Contract at $4820.00. Motion Carried Unanimously.

March. 21st 1900

Council met according to adjournment.
Mayor Hetrick in the chair. The roll was called.
The following gentlemen were present and answered to their names. Houghton, Lemon, McCarthy, Service & Smart. Quorum Present.

New. Eng House

The new Fire Engine House was the first subject before the Council for discussion.

Decided to buy extra lot

Mayor Hetrick stated that the Committee had viewed the grounds and that they decided it would be best to buy the extra lot since Mr. Rohrbaugh will remove the building from that lot.

Lot & double Building

The lot and new double building will cost from twelve to fifteen hundred dollars more than it would to build a single building on the ground now owned by the City.
Councilman Wuesse here takes his seat.
Councilman Lemon is excused.
The citizens present, upon being asked, gave it as their opinion, that it was best to buy the lot of Mr. Rohrbaugh.
Councilman Church here takes his seat.

Motion to buy lot for $600.00

Councilman Smart moved that arrangements be perfected to buy the other lot from Mr. Rohrbaugh for $600.00 and that they proceed with their plans at once. Motion Carried.
Mr. Pickrell and Smith being present and representing the Assembly, were given permission to speak.

Sewer at Forest Park.

They ask that the sewer tile in Forest Park be relayed. The tile is not laid true to line and is worthless as a sewer in its present condition. They also ask that there be a committee appointed from the Council to confer with the committee appointed by the Assembly in regard to same. Mr. Smith gave it as his opinion that the tile should be relayed and asks that the City bear the expense as the Assembly are out of money. He says as the Assembly has put buildings there and they at once become City property, he thinks it just for the City to bear this expense.

Referred to Com. on P.K.

Councilman Smart moved that this matter be referred to the Committee on Parks to report

Stone Quarry.

Councilman Church moved that the request be granted. Motion Carried.

Mr. G. C. Smith is here given permission to speak to the Council in regard to the changing of the race track at Forest Park. The track as it now lays is practically useless, and is dangerous to both horses and people, during the Assembly. And also causes a crowded condition at such times. The committees from the Council and Agricultural Society agreed that by crossing the ravine twice it could be done so as to accomodate both Assembly and horseman.

Race track at Park.

A general discussion followed after which Councilman Lennon moved that $100.00 be appropriated for this purpose, if the other two associations also appropriate $100.00 each. Motion Carried.

A communication from the Missouri Pacific R. R. Co. was presented and read as follows:—

Comm. from M. P. R/R.

Osawatomie, Kansas, Mch. 29th. 1900

Mr. Walter Pleasant,
City Attorney,
Ottawa, Kansas.

Dear Sir,—

I have your favor of March 27th in regard to switching across Main Street at Ottawa.

The way our tracks are situated at that point, it will be utterly impossible for us to do any business and not switch by Main Street occasionally.

I have taken the matter up with the train crews and requested that they do as little of this as possible, and will look into the matter personally to know if they are doing their work on Main Street when there is no necessity for it.

Yours truly
A. L. Dunaway.
Division Superintendent.

an estimate in regard to the length of time required in grading same territory, but one teamster employed on the grader at the time stated that it took 1½ days at a cost to the city of $11.25 Besides the grading we have the rolling capacity of 5 tons weight on 11½ ft. of surface in a 30 ft. st. In 9 th's we graded 17 blocks. Mr. chairman I have no comparison to make between horse power and steam power on the grader.
From information I have received I believe it to be a grand success.

Mr. Lemon chairman of S+A. committee reports that former figures '$6.00 per day' can not be continued as it will cost fully this amount to operate the engine, but $10.00 per day will hire an engine with coal and help furnished.
Mr. Lemon also says only 30 days would be required to grade the entire city.

Councilman Reid moves that the engine be employed. The motion was agreed to.

An Ordinance for the construction of a side-walk on the west side of Poplar St. and from Black Hawk St. to Massasoit St. was read the first time.
On motion of Councilman Service, and unanimous consent of the council the Ordinance was read the second time and considered by sections.
Councilman Service moves that section 1 be amended so as to provide for a walk four (4) feet wide built of cypress lumber and three (3) stringers only; Otherwise in accordance with Ordinance # 241.
The motion was agreed to.
The Ordinance was then placed upon its final passage, the question being, shall the Ordinance pass? A vote was taken resulting as follows: Yeas Houghton, Lemon, Meese, Reid, Service, Turner, and Williams.
Nays None.

Absent and not voting McCarthy.
A majority of the Councilmen elect having voted in the affirmative, the Mayor announced the Ordinance duly passed.

The appraisers report on Sewer Dist. #23 was read and property owners were given an opportunity to make complaints. No complaints being made Councilman Service moves that the report of the appraisers be adopted.
The motion was agreed to.

On motion of Councilman Service Councilman Muesse was unanimously elected President of the Council.

The committee on sidewalks submit the following recomendation:

To the Honorable Mayor and Council of the city of Ottawa.

Your committee on side-walks would recomend that the Santa Fe R.R. Co. be allowed to remove their wooden sidewalk from along the east side of Block 4 and in front of Lots from the south line of Lot 1 to the north line of Lot 25, all in Shaw and Ludington Add. to the city of Ottawa, on conditions that said company build and maintain at their own expense a street crossing at the north line of their grounds, and to the east side of King street, said improvement will be a benifit to all concerned.

Respectfully Submitted:

M. McCarthy
S.E. Lemon.
Lyman Reid.

The Santa Fe company will accept the above proposition

S.M. Campbell

On motion of Councilman Sgt. Williams the recomendation of the com. was adopted.

Attest: A.C. Hanson City Clerk

Council Chamber
July 25th 1900

Council met pursuant to a Call of the Mayor made and issued upon the written request of three of the Councilmen: to wit;

A. L. Musser
W. J. Williams
J. E. Lemon

Mayor O'Keefe in the chair.

Present:- Councilmen Lemon, Musser, McCarthy, Service, Turner and Williams.

Quorum.

Call read as follows:

To the Honorable Mayor of the city of Ottawa.

We the undersigned Councilmen of the city of Ottawa respectfully request you to call a meeting of the council at 8 o'clock P. M. July 25th 1900, for the purpose of considering the matter of buying a team for the Hook and Ladder wagon of the O. F. D. and to pass an ordinance to legalize the issuance of certain time warrants made to Bushong and Porter for the construction of the new fire engine station and to consider the matter of building certain sidewalks on Hickory St. between Hooker St. and Tecumseh St.

A. C. Branson, Chief of the Fire Department offered the following recomendation:

On July 8th the horse used on the Hook and Ladder truck died from the effects of a run made the day before. This being the second horse lost as results of hard runs with this truck, I would recomend that two horses, 4 yrs. old and each weighing about 1100 lbs. be bought to do this work.

Harness for two horses can be bought for $25.00, and a complete swinging device will cost about $56.00. We already have a pole so the only extra expense would be about $82.00 for the harness and swinging device.

Councilman Lemon moved that Mayor appoint a committee to buy a team for hook and ladder truck. Motion carried. The Mayor appointed Councilmen Turner, McCarthy and Williams as committee. Council instructed Chief Branson to purchase harness and swinging device.

An ordinance appropriating the sum of $1131.30 for the purpose of paying warrant to be issued to Bushong and Porter in lieu of a demand warrant erroniously issued to said Bushong and Porter June 7, 1900; and the sum of $364.95 to pay time warrant issued to Bushong and Porter July 7, 1900 was read and referred to the committee on ordinance.

The committee on sidewalks to whom was referred the petition for a sidewalk on Hickory street between Keokuk and Tecumseh streets, reported on said petition and recommended that it be granted. Referred to committee on ordinance.

An Ordinance entitled an ordinance providing for the construction of sidewalks in blocks north of Tecumseh st. on Hickory st. was read the first time.

On motion of Councilman Lemon council adjourned.

Council met according to adjournment
Mayor Bartsch in the chair
Present: Councilmen Houghton, Muesse, McCarthy, Service, Turner & Williams.
Mr. Washburn was asked for his opinion in regard to changing the plans for the roof of the new engine house.
He said: The material now covering the old part of the engine house is unfit for further service and should be replaced with new tin, and in case this be done it should be carried across on a level with the new portion of the building thus avoiding the shoulder running through the center of the building. Bushong & Porter agree to making this change for $200.00 dollars which I believe to be about $10.00 less than is customary for such work. Councilman Muesse moved that the committee be instructed to have the new roof put on, motion agreed to.
The Park Commissioner stated that a great expense was incurred in cleaning the Park after Picnics &c, and suggested that in letting the Park, there be a provision made for such cleaning. Referred to Com. on Parks.
Mr. McCarthy stated that often times it was necessary to have special police at these gatherings and that he recommended a provision be made for this expense also. Referred to Com. on Parks.

An ordinance entitled "an ordinance relating to the obstruction of the entrance to, or the obstruction of stairways or halls in the city of Ottawa was read the first time
Mr. Ellis complained that sidewalks order to be built, according to ordinance # 398 was unjust to some, and that said walk could be located to a better advantage by crossing Hickory street 50 ft south of location as laid down in said ordinance. And that at the S. E. cor. of Blk. # 20 there is only 12 ft between propety line and Hickory St. cut and by building walk there it would greatly endanger the traffic of that place referred to committee on S & A.
Mr. P. P. Elder asked that the repairs on lots 1-3-5 & 7 in block 107 be accepted and that condemnation be removed.
Councilman M. McCarthy moved the said walk be accepted. Motion carried.
Mr. Elder further stated that on July 7th the walk in front of lots 9-11 & 13 in block 107 was condemned, and that said walk was now in excellent condition. He also asked that the

walk be accepted and the condemnation removed.
No action taken.
An ordinance entitled "an ordinance levying taxes in the city of Ottawa, Kansas, for the year 1900 was read considered by sections and placed upon its final passage. The question being, Shall the ordinance pass? A vote was taken resulting as follows: yeas 5 Nays none.
Absent and not voting Houghton Reid & Turner.
Councilmen voting in the affirmative were Lemon, Musse, McCarthy, Service & Williams.

The com. on Parks to whom was referred the request of S. F. Beeler to move Grand Stand reported that they had met with the Agricultural Society and was informed that the society had not yet located the judges stand, therefor the location of the Grand stand could not at present be determined. The com. also reported that S. F. Beelers reports of 1898 & 1899 on said Grand stand could not be found, and asked more time in which to report in full.
The com. on Fire Water & Light to whom was referred the petition of Mrs N. O. Cross reported as follows:
To the Honorable Mayor and City Council.
We the com. on Fire & Water to whom the Mrs. Cross communication was referred beg to report. Calling upon Mrs. Cross we find that she complains of loud indecent talk from Mr Hartshorn, and from Mrs. Edmundson same, and often having to leave her front porch to keep out of hearing. Mrs Geo. Aiesol says she would not think of living in hearing of the Fire Department. And upon one occasion one Mott said Mr Hartshorn spoke in regard to his being fired, "Yes that [illegible]" Irish [illegible] of a [illegible] and others had it in for him.

And that upon the occasion of the 4th fire he ordered the North Side Fire Dept. around calling them [redacted] of [redacted] repeatedly.
We beg to submit above for proper action.
Respt'ly. Lyman Reid Chm.
The Mayor instructed the com. on Fire Water and Light to meet with a com. from the Fire Dept. and inquire more fully into this matter.
The com. on Fire Water & Light to whom was referred the request of Mr. Wallace to maintain a powder safe at rear of store, reported as follows:
To the Honorable Mayor and City Council.
The Fire Water and Light com. beg to report on the Atlanta Wholesale Grocers request for permit to carry powder as follows: As there has been an ordinance regulating the powder business, we see no reason why it should be discontinued, and therefor report unfavorable to their request.
Signed Lyman Reid Chm.
On motion of Councilman Monroe the report of the com. was adopted.
In the absence of the chairman of the com. on Streets and alleys to whom was refered the sidewalk on Hickory St. along blocks # 20 and 21, Councilman McCarthy moved that said walk be ordered built.
Motion carried.
Mr. Washburn was asked for his opinion on the completion of the new Engine house, to which he replied that the contractors had done their work well and that the building was completed with the exception of about ½ days work in touching up.
J. T. Black of the Fire Dept. said he had examined the building and found it "O. K."
The Councilmen were instructed to meet within the following week and examine the Engine house, for the purpose of accepting or rejecting the same.
On motion of Councilman McCarthy the report of the Fire Water and Light com. on claims against the city was reconsidered.
Councilman Monroe moved that the report of the Fire Water and Light com. be adopted, except the Claim of Bushong & Porter for final settlement for engine house, and the claim of Geo. P. Washburn for Architects fees. Motion carried.

Mr. Smart came before the Council in behalf of Sarah Black and Capitola McCarey, regarding judgement obtained against the city for damages resulting from defective sidewalks. He said the parties are greatly in need of this money, and that time warants bearing interest at the rate of 6%, would be acceptable Councilman Muesse moved that time warants be issued, payable Jany. 1st 1902, with interest at the rate of 6%, to said parties, exclusive of costs in Dist. Court Motion carried.

The bids for the construction of sidewalks in accordance with ordinance # 295 were opened and read.

The Mayor instructed the com. on sidewalks to call upon the two lowest bidders and have them to submit samples of brick to be used, and report on the same at the next meeting

The two lowest bids were as follows:

11/16/00 — To the Honorable Mayor and City Council. I will build brick sidewalks for the city of Ottawa, of good vitrified brick, according to ordinance governing such walks, work to be done in a good workman-like manner, for 8¢ per sq. ft. I will also build cement walks of Portland cement and in accordance with ordinance governing such walks for 15¢ per sq ft.

Signed W.F. Eddinger.

The Com. on Parks to whom was referred the matter of the contract of the city with S. F. Beeler in the matter of the Grand Stand in Forest Park reported as follows.

To the Honorable Mayor and Gentlemen of the Council.

Your Committee to whom was referred the matter of the contract of the city with S.F. Beeler in the matter of the Grand Stand in Forest Park, beg to report, that after much search and careful inquiry, they find the reports of Mr Beeler up to and including Jany. 1st 1900. The reports themselves do not show that they have been properly audited, with the possible exception of the one filed Jany 4th 1897, which bears this indorsement: "O.K. J.B. Lockwood". This report carries upon its face an over charge of interest of not less than $44.00 as Mr Beeler has charged one years interest on $6000 at ten per cent while the city records coupled with his own figures as to receipts show he was entitled to less than four months interest on $4800. The same account also shows a charge of "Hardware" $25 00 and labor $100 00 both of which seem excessive.

The other accounts do not show that they were properly audited by the Park Com, the a/c for 1897-8 & 9 contain the items of "Repairs" respectively of $25 00, $25 00 and $35 00 which do not seem to have been reported "at once" to the Park Com. as required by the contract. The charges for "running expenses" for 1897 - $53.15 for 1898 - $31.50 and 1899 - $31.50 are in the jindgement of your Com. very much in excess of a reasonable amount. The contract with Mr. Beeler gives him permission to maintain the Grand Stand where it is now situated, compels him to make such repairs as the Park Com. may require, permits him to make needed repairs, which he must immediately report to the Park Com., allows him ten per cent on his investment and running expenses.

Taking his own accounts as a basis and allowing only the interest actually his due on Jany 1st 1897, and from that date a charge of $15 00 per year for running expenses the city would not owe him (provided they wanted to take the stand under the contract) on Jany. 1st 1900 but $404.97 instead of $600.00 as he claims. Your Com. recomends a careful auditing of the accounts that may be rendered hereafter and that Mr Beeler be requested to furnish an itemized statement for repairs with receipted bills for all labor and material, also receipts for all money paid for running

expenses, and would suggest that it might be well to relieve Mr. Beeler from the expense of ticket takers, the city to employ men for that purpose while the Grand Stand is in use.
Your Com. further suggest that if permission is granted for the removal of the Grand Stand, that the ordinance be so framed as to cover the foregoing recomendations and that the expense of such removal be agreed upon before the permission be granted.

On motion of Councilman Turner the recommendation of the Com. was adopted.

A remonstrance signed by W. Stucker and others asking that the petition for a sewer in Block 104 be denied, was read and refered to com. on S and A.

The Com on Fire Water and Light to whom was refered the Kartshorn matter, with instructions to meet with a com. from the Fire Dept. reported that nothing of importance was done and recommend that the matter be refered to the Chief of the Fire Dept.

Chief Brauson refered to the ordinance creating the fire dept. and says that the chief is given authority over the dept. and all men connected there with, and asked why this authority had been with held from him. He said that if the charges against Kartshorn were of a serious nature that he would be willing to investigate, but ~~as~~ so far as his inquiry had gone, he found the matter to be personal enmity

The City Atty. refered to the ordinance creating the fire dept. and said that nowhere was found any reason why the Council could not controle or discharge men who were with the Dept. and that the charges made against Mr Kartshorn were not such as are mentioned in the ordinance.

The chief says he does not deny their right to do this but advise cooperation with the chief.

Councilman McCarthy moved that the matter be laid on the table. Motion carried.
